

## UNIFORMS PROGRAM

Procure Analytics has partnered with UniFirst, North America's largest workwear and textile service company, to bring PA members a new program for Rental Garments (Uniforms & Workwear), Facility Services, and First Aid Products. Members will have access to a centralized national program, with competitive pricing, account management support, and PA's analytics.

### VISIBILITY INTO YOUR TOTAL COST OF OWNERSHIP

Procure Analytic delivers bottom-line TCO savings for members of its Uniforms program through:

- Unit Rate Savings
- Control Loss and Damage Expenditures
- Inventory Level Management
- Program Controls and Compliance

### WHY UNIFIRST AS OUR PARTNER

- Self-Manufactured Products for quality and consistency
- Distribution and Order Fulfillment for quicker deliveries
- ISO-9001 Certified Operations for unwavering customer satisfaction
- Trusted Food Safety Leader with HACCP and GFSI certifications in 61 plants
- Automatic Garment Replacements for maintaining your professional image and containing your costs
