

PALLETS PROGRAM

Pallets can be expensive, hard to manage, and impact your green initiatives. That's why PA has partnered with leading suppliers to offer members a pallet service that optimizes your spend based on product and usage. Your pallet needs go hand-in-hand with your box engineering: size, shape, and weight. With Procure Analytics, you can benefit from economies of scale on your pallet purchases via our group purchasing program.

What Our Pallets Program Covers

Our program offers national capabilities with local know-how, end-to-end pallet solutions, and a better customer experience for PA members. Our solutions and services include:

PALLET SUPPLY

- Recycled 48" x40" GMA pallets

- Custom Pallets
- Pallet redesign
- Drop trailer services

PALLET RECYCLING

- Cores buy-back programs
- Dock sweeps
- Drop trailer services
- Tracking & transparency
- Recycling services
- Environmental report

ON/OFFSITE MANAGEMENT

- Onsite labor services
- Pallet repair
- Pallet & tote tracking
- Warehouse and dock solutions
- Vendor compliance audits
- Total cost management

PRIVATE FLEET

- Just-in-time delivery
- Nationwide supply
- No 3rd party fees
- Online account management
- Backhauls
- Safety & driver training

Program Benefits

ANALYTICS FOR DEEPER INSIGHT

Get your data & analytics on your warehousing, docking, loading and total cost management

BOTTOM-LINE COST REDUCTION

Reduce operating expenses through discounted or repaired pallets

YEAR OVER YEAR SAVINGS

Recover investment by recycling your pallets

EXCEED YOUR GREEN INITIATIVES

Improve your impact on the environment and exceed your sustainability targets

All of this at **ZERO** cost to Procure Analytics members.
